

Dear Prospective Client:

Thank you for your interest in having your golf outing here at Creekside Golf & Country Club. We will do our very best to make your golf outing a pleasant & fun experience. Our 18 hole championship golf course was designed by Richard Mandell Golf Architecture and was called "a hidden jewel" by Golf Digest.

You may have your own outing or you can give us the names and/or teams of your golfers as soon as you have most of your list. This way we can enter them in our Tournament Pairing Program. This program creates scorecard labels and cart assignments for each player in your tournament. I'm quite sure you'll have some no shows and some new players the day of the tournament; we'll take care of that too. After the tournament we'll have a scoreboard to post the players totals. If your players need directions to the course or tips on how to play Creekside, you'll find everything you need online at Creeksidegolf.com.

Have a look at our tournament packages and select the one that's right for your group. We also have gift certificates or tournament packages available for prizes in the Pro Shop.

Just a few other points, we'll block out the tee times with a credit card but the balance to be paid the day of the tournament must be done by cash or check unless each person will be paying separately. Please feel free to contact me at 770-445-7655 ext. 15 or at david@creeksidegolf.com for more information about our facilities or to reserve a day for your corporate, casual or charity event. I look forward to working with you to organize a first-class outing.

Thanks Again,

David Elliott
